

# Brain - Book - Buddy

Make any assessment more impactful.

Three steps to follow.

---

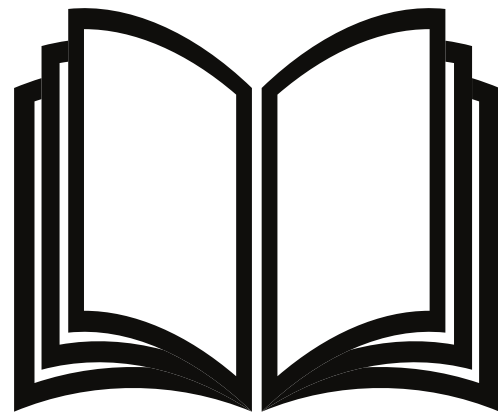

**1**

Use your brain to answer

Highlight answers in orange

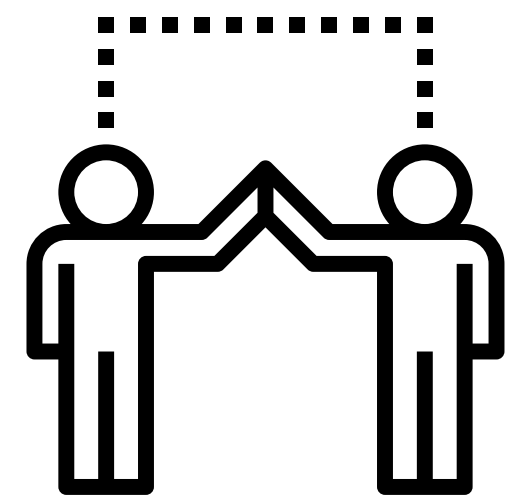

**2**

Use your notebook or textbook to answer

Highlight answers in blue

**3**

Use your buddies to answer

Highlight answers in yellow

---

Questions to consider:

1. How many were answered correctly using only your brain?
2. Why did you answer the other questions incorrectly?
3. How will this inform and tailor future studies of this material?
